Enter **complete journal title** (exclude *a*, *an*, and *the* beginnings)

Select **Title** from the drop-menu

Narrow your search by selecting **Journal/Magazine** from the right column. The **Find Full Text** icon indicates that the article may be available in FULL TEXT online. Other icons indicate other Library holdings and format. Journals not owned by the Library can be requested through Interlibrary Loan using ILLiad (allow up to 2 weeks delivery). Also, staff at the Information Desk and Research Assistance Desk are available to assist you in determining local library holdings.

**TIP**
- Identify location within library
- Verify current subscription status
- Verify the year(s) available
- Check for when the latest issue was received

Located on the **2nd Floor**, Journals are available in the following forms:
- **Current Paper Subscriptions** (unbound, in red plastic boxes)
- **Bound Journals**

Printed copies are arranged alphabetically by title of journal. Older “back issues” of journals are bound together, usually containing all issues for one volume or year. Journals in microfiche / microfilm are available at the Help Desk, First Floor. Journals in storage can be requested using a request form. Assistance is available for retrieving, viewing, printing, and scanning articles at the Help Desk, First Floor.

Articles can be duplicated in black & white as single ($0.10) or duplex ($0.15) copies, or in color as single ($0.50) or duplex ($1) copies at appropriate printing stations. You may use coins or your SIUe ID card for printing. Value may be added to your SIUe ID card in the Service Center in Rendleman Hall or online at my.siue.edu.
